Warnings

Participants will be given only one warning for unacceptable behavior during a match. The warning will remain on record for at least 1 month.

Match Disqualification

A second violation of the safety rules during any match after the first violation on the participant's profile record will result in an immediate 1 month suspension.

Match Procedure Upon Disqualification

The participant, who has broken the rules, will lose the match - the loss is recorded on the participant's profile.

The referee of the match will record the time of when the match was stopped due to a rules violation and disqualification.

The other participant of the same match, who didn't break the rules, will receive XP points based on the time when the match was stopped.

Continued Disqualifications

Participants who have a second disqualification will be suspended for 2 months.

A third disqualification will result in being banned indefinitely.

However, to appeal for reinstatement, the participant will need to wait a minimum of 1 year from when they were banned.
